About Me

Hi!, I am a creative and passionate high school graduate with experience in graphic design and social media administration. I have been trained in leading and coordinating various organisational activities. I also often act as a social media coordinator, and become a graphic designer for the organisations I am involved in. And I also have achievements in the field of digital design such as 1st place in digital poster design by mgbk west jakarta and other achievements.

Education

SMAN 95 Jakarta | IPA (2021-2024)
